

Dear Valued Business Owner,

On your mark! Get set! Go! Ronald Thornton Middle School's 4th annual THUNDER GAMES is **Friday, April 4, 2025**, and we need your support to ensure that this event is celebratory, safe, and positive for all of our 6th, 7th, and 8th graders.

What is RTMS Thunder Games?

- . A lively campus-wide festival for the whole family!
- . RTMS students team up to compete in a muddy obstacle course race, cheered on by their friends, classmates, and families.
- . Family fun with a DJ, games, inflatable rides, a fire truck, photo booth, food trucks, concessions and a sponsor/vendor area for everyone to enjoy.

Why become a THUNDER GAMES sponsor?

As a pillar of the community, your support of our school's largest event cultivates a direct and positive impact on RTMS, including our students, staff, and families. Through sponsorship, you will receive valuable marketing such as recognizable logo and name display, online publishing, and ad placement, just to name a few perks! Plus, your contribution is tax-deductible! In collaboration with RTMS Thunder Games, you receive considerable advertising, ensuring business exposure to our 1800 RTMS families and Sienna community.

Enclosed please find a sponsorship form outlining the various levels of giving and marketing perks available. Your donation guarantees business recognition at RTMS Thunder Games among our ever-growing student and parent population, as well as publicity to thousands of Sienna residents.

Thank you in advance for being a champion of the students and teachers at Ronald Thornton Middle School.

Respectfully,

Toya Jones
Thunder Games Event Chair
